
District 742 Core Values:

Driver of Our Words and Actions

1. EXCELLENCE

A continuous and relentless pursuit of the highest standards of rigor and relevance while being accountable to each other in all we do.

2. LEARNING

Keep the student at the center of our planning, preferences and choices while assuring many opportunities to maximize thinking, learner access, potential and success in a differentiated learning environment.

3. LEADERSHIP

Act courageously, fulfill our responsibilities and collaborate with our constituencies to bring valued perspectives to our decisions.

4. PARTNERSHIP

Engage in our shared mission with trust, competency, transparency and interdependency with all stakeholders: staff, students, families, community, organizations and school board.

5. RESPECT

Honesty, authenticity and compassion in our words and actions while valuing the strengths, and the contributions of all, in this diverse community.
